

7CPHC Special Meeting Minutes February 4, 2008

Meeting called to order at 7:15pm.

We voted for form #1.

Form #2 does not have an option for a full page ad.

Forms 1 and 3:

Form #1 includes a stall

Form #3 does not include a stall.

By including the stall there is no difference between the gold and the silver and it is not beneficial for the club.

The cost at Rancho went from \$1200 to \$1900 per day, luckily we were able to negotiate the difference this year and get a price of \$1550.

Stalls went to \$75 to Rancho and \$35 to CPHA.

Overtime is now counted at \$125/ hour after 6 pm. It used to not be charged until after 9 pm. The haul in has gone up to \$20. We are afraid that if we ask for more money on top of that, people won't come to the show. Form #3 seems like a good difference between the sponsors.

Motion by Nancy to revisit the vote on the 7CPHC sponsorship form for the 2008 show season. 2nd Carol.
